Welfare of Scheduled Castes and Scheduled Tribes-Provision in the Village Panchayats and Town Panchayats Budgets.

CIRCULAR

No. DPC 37 VAD 74 BANGALORE DATED 10TH APRIL 1974/9TH MAY 1974.

Attention of the Divisional Commissioners and the Deputy Commissioners is invited to the instructions issued under Circular No. DPC 69 BAC 72 dated 24th July 1972 to earmark 18 per cent of the total budget in respect of each Taluk Development Board for the welfare of the people belonging to Scheduled Castes and Scheduled Tribes. These instructions were confined only to the Taluk Development Boards and not to the Town and Village Panchayats for the reason that the many of the Panchayats were financially not sound. It has since been observed that there are few panchayats who can afford to earmark funds for the welfare of Scheduled Castes and Scheduled Tribes. Since Government have committed to bring up Scheduled Castes and Scheduled Tribes to the level of advanced communities by 1980 as contemplated in the Constitution of India after which term the constitutional safeguards would cease to exist, Government direct that the following measures be adopted hereafter in the case of Village Panchayats and Town Panchayats also:

(1) that 18 per cent of the net income of the Village Panchayats and Town Panchayats whose financial positions are sound enough should be reserved for the welfare of Scheduled Castes and Scheduled Tribes and the schemes which are beneficial to them may be implemented for their welfare in their respective Village Panchayats and Town Panchayats.
